

Joint Meeting of Baltic COMPASS, Baltic DEAL and Baltic MANURE Projects

The joint meeting of Baltic COMPASS, Baltic MANURE and Baltic DEAL projects was held on 2 October 2012 at Lithuanian Institute of Agrarian Economics in Vilnius. The meeting had gathered members of projects from Lithuanian Research Centre for Agriculture and Forestry, Lithuanian Agricultural Advisory Service, Baltic Environment Forum Lithuania, and Lithuanian Institute of Agrarian Economics. The meeting was also attended by staff of the Ministry of Agriculture of the Republic of Lithuania.

The meeting focused on the issues related to projects implementation. The participants of the meeting presented the objectives and results of the projects. They also discussed the prospects for further cooperation.
