

## **WP6 Wrap up meeting in Stockholm**

On 14–15 June 2012 the researchers of the Division of Farm and Enterprise Economics of Lithuanian Institute of Agrarian Economics (LIAE)—Dr Irena Kriščiukaitienė, Virginia Namiotko, and Tomas Baležentis—took part in the final wrap up meeting for WP6 in Stockholm. The meeting focused on the issues related to barriers and opportunities for stakeholder engagement, the role and function of institutions, actors, policy instruments, and next steps to enhance cross case collaboration and contribute to change.

The participants of the meeting discussed the governance issues, similarities and differences between the cases and dialogues based on the experiences from the countries involved, identified the key target groups for each case and dialogue, considered opportunities for cross case/dialogue outputs.
